Dear Sir:

The JP 06 180995 reference, which is cited in an Information Disclosure Statement by Application filed contemporaneously with this Statement is being supplied in a language other than in English. The relevancy of the foreign language reference is identified in the International Search Report issued by the European Patent Office (a copy of which is attached hereto) which identifies the reference as an "A" reference relevant to claims 1 and 36 with meaning it is a "document defining the general state of the art which is not considered to be of particular relevance".

Respectfully submitted,

McDONNELL BOEHNEN HULBERT &
